[Social Work CEU credit available | Training meets Infant Mental Health Competencies for endorsement]

MILDRED RAMSEY EDUCATIONAL EXCELLENCE SCHOLARSHIP FUND

This scholarship fund was created in memory of Mildred Ramsey who's passion and dedication to education and improving the lives of children and families helped to make this course possible. Mildred Ramsey challenged each of us to be lifelong learners and to strive for equity and excellence. The scholarship is available to all professionals in need of financial assistance who seek to advance their knowledge of Infant Mental Health and cross system collaboration.

Students who qualify for scholarship and successfully complete all three classes will be eligible for tuition reimbursement of \$60.
